

HERE WE'RE IN MY REALM, THE MUSEO DEL COGNOME! IT'S THE PLACE WHERE I SPEND A LONG TIME DOING GENEALOGICAL RESEARCHES BY MEANS OF MY PC AND BOOKS!

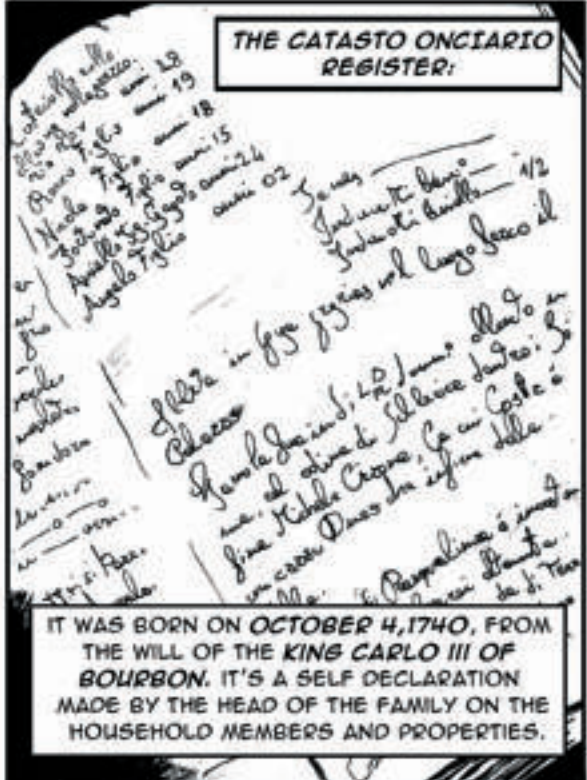

I CAN DO SOME OF MY STUDIES ONLINE, BUT SOMETIMES IT HAPPENS I NEED TO VISIT SOME PLACES I'M GOING TO SHOW YOU RIGHT NOW!

THE REGISTER OFFICE: IT'S THE PLACE THAT KEEPS THE RECORDS OF BIRTHS, MARRIAGE AND DEATH.

THE OLDEST REGISTERS OF THE KINGDOM OF THE TWO SICILIES START FROM 1809, THE OTHER ONES ARE ABOUT THE REST OF ITALY AND THEY START FROM 1817, EXCEPT FOR SOME RARE EXCEPTION.

THE CATASTO ONCIARIO REGISTER:

IT WAS BORN ON OCTOBER 4, 1740, FROM THE WILL OF THE KING CARLO III OF BOURBON. IT'S A SELF DECLARATION MADE BY THE HEAD OF THE FAMILY ON THE HOUSEHOLD MEMBERS AND PROPERTIES.

THE STATE ARCHIVE: IT'S THE PLACE THAT KEEPS THE CENTRAL AND SUBURBAN ADMINISTRATION ARCHIVES ...

HERE YOU CAN FIND VITAL RECORDS, MILITARY RECORDS, NOTARIAL DEEDS, AND SO ON!

... TOGETHER WITH THE ONES ABOUT THE PRE-UNIFICATION ITALIAN STATES AND ITALY AFTER UNIFICATION.
